Yachts on the commission of Princess Yacht Monaco. The Company is not responsible for the accuracy of the information provided by the Shipowner (images used, yacht specifications, parameters, engine performance, legal design issues). The operating time of the engines is indicated at the time of preparation of the information and may change during further operation. The need for an inspection remains at the discretion of the Buyer. Exact parameters and characteristics can be specified in the contract of sale. Additional information is available from the manager on request.

DESCRIPTION

The Sanlorenzo SX76 is a standout in the yachting industry, known for its unique space and large windows that bring in natural light, offering a 360° view from the main and upper decks. M/Y Parea is an excellent example of the SX76 model, gently used by its owner and well-maintained by a professional crew. Contact us for more information!
