## **SUPERAR LOS LÍMITES PARA REDESCUBRIR LA ESENCIA**

Desarrollar el concepto para un nuevo proyecto es, sobre todo, un viaje. Se trata de una experiencia donde el único límite es la imaginación, en una búsqueda de sensaciones, materiales, geometrías y formas: para expresar la esencia de un estilo que debe ser totalmente único, en cada uno de sus aspectos. No nos hemos conformado con soñar un concepto ingenioso con soluciones técnicas de vanguardia, interiores con una inspiración sublime y zonas comunes con un confort sin precedentes. Hemos ido más allá, mucho más lejos, en términos espaciales y temporales. No hemos parado hasta estar completamente seguros de haber encontrado la nueva esencia de Ferretti Yachts, el paradigma del bienestar y el estilo

La belleza, en su forma más pura, abre nuestros ojos a nuevas visiones y nuevas perspectivas. El límite de lo que se ha conseguido se difumina en la idea de lo que está por venir. Una experiencia única que conquista el corazón y atrae todas las miradas
