Yachts on the commission of Princess Yacht Monaco. The Company is not responsible for the accuracy of the information provided by the Shipowner (images used, yacht specifications, parameters, engine performance, legal design issues). The operating time of the engines is indicated at the time of preparation of the information and may change during further operation. The need for an inspection remains at the discretion of the Buyer. Exact parameters and characteristics can be specified in the contract of sale. Additional information is available from the manager on request.

## DESCRIPTION

---

The flagship open cruiser from Riva, the 66' Ribelle, reflects the Italian's yard iconic style while combining the best of high-performance, speed and technological advancements. The sleek, elegant profile of the exclusive blue sapphire hull is characterized by large windows across the superstructure that flood the interiors with natural light. Sporty and timeless, her exterior design by Officina Italiana Design features new styling elements in polished stainless steel and mahogany, a homage to the yard's location in Sarnico.
