Yachts on the commission of Princess Yacht Monaco. The Company is not responsible for the accuracy of the information provided by the Shipowner (images used, yacht specifications, parameters, engine performance, legal design issues). The operating time of the engines is indicated at the time of preparation of the information and may change during further operation. The need for an inspection remains at the discretion of the Buyer. Exact parameters and characteristics can be specified in the contract of sale. Additional information is available from the manager on request.

English

Very neat Fairline Squadron 65 – built in 2018 – first owner from new, British flag, EU VAT paid and with impeccable ship documentation and maintenance history. This MY is equipped with the Caterpillar C18 – 1150 engines and with a hydraulic bow and stern thruster, which makes navigating in narrow bays and when mooring and undocking in the harbor a push-over, even with this size of MY. The teak-laid deck area offers a private place in various locations – always protected from the sun – while the flybridge, which is also teak-laid and equipped with a GRP hard-top with soft-top insert, invites one to linger due to the spacious sunbathing area at the stern in combination with the seating area opposite the BBQ furniture with refrigerator, ice maker and grill. In the light-flooded and high-quality furnished saloon you will find a spacious living and dining area with a fully equipped kitchen in front on the port side as well as the clearly arranged helm position with a side exit to starboard, below deck a total of 4 cabins and 3 full bathrooms, to accommodate up to 8 people comfortably on board, while the skipper also finds a private place in the aft cabin, which can alternatively be used as storage space. The almost full specification that apart from the Seakeeper stabilization system also includes an electro-hydraulic bathing platform and gangway, a 22.5kW generator and air conditioning in all areas, makes this flybridge yacht perfect for extended tours in the Mediterranean without sacrificing any comfort.

*** Price information: applicable asking price GBP 1.450.000, Exchange rate 1,19 (25.07.2024)

Deutsch

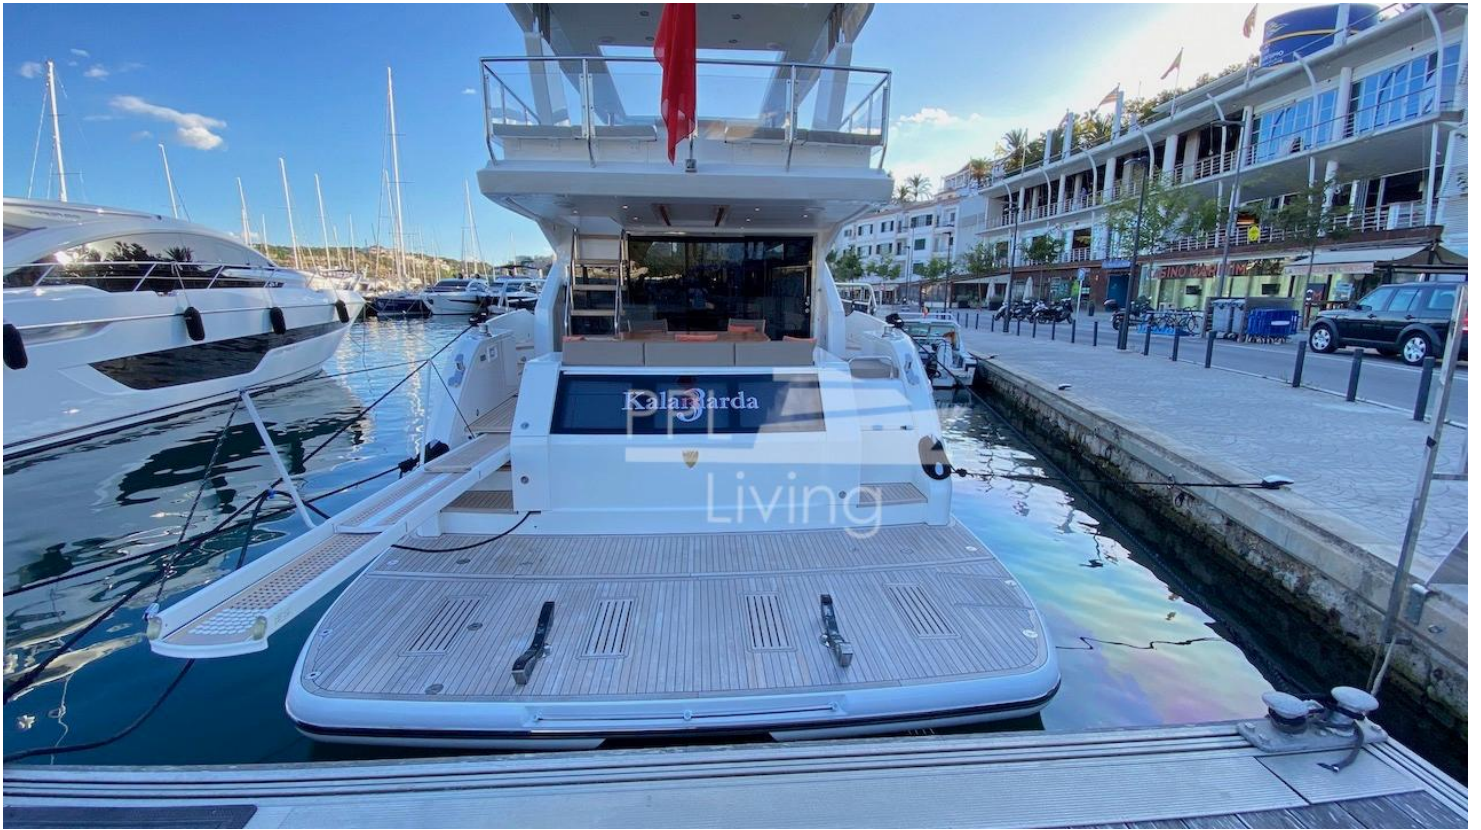

Sehr gepflegte Fairline Squadron 65 - Baujahr 2018 - vom Erstbesitzer, britisch-beflaggt, EU-MwSt. gezahlt und mit einwandfreier Schiffsdokumentation sowie Wartungshistorie. Diese MY ist mit den Caterpillar C18 - 1150 Motoren sowie mit einem hydraulischen Bug- und Heckstrahlruder ausgestattet, was das Navigieren in engen Buchten und beim An-/Ablegen im Hafen auch bei dieser Größe zum Kinderspiel macht. Der teak-gelegte Decksbereich bietet an verschiedenen Stellen - immer geschützt vor der Sonne - einen privaten Platz, während

die ebenfalls teak-gelegte und mit einem GFK Hard-Top mit Soft-Plissee-Einsatz ausgestattete Flybridge durch die großzügige Liegefläche am Heck in Kombination mit der Sitzecke gegenüber dem BBQ-Möbel mit Kühlschrank, Eiswürfelbereiter und Grill zum Verweilen einlädt. Im lichtdurchfluteten und hochwertig eingerichteten Salon erwarten Sie ein grosszügiger Wohn- und Essbereich mit vorgelagerter, voll-ausgestatteter Küche an backbord Seite sowie der gut übersichtliche Steuerstand mit seitlichem Ausstieg, unter Deck insgesamt 4 Kabinen und 3 vollwertige Badezimmer, die bis zu 8 Personen bequem an Bord beherbergen, während der Skipper in der achteren Kabine ebenfalls einen privaten Schlafplatz findet, der alternativ auch als Stauraum genutzt werden kann. Eine nahezu Vollausstattung, die neben einem Stabilisierungssystem von Seakeeper u.a auch eine elektro-hydraulische Badeplattform und Gangway, einen 22.5kW Generator und Klimaanlage in allen Bereichen umfasst, macht diese Flybridge-Yacht perfekt für ausgedehnte Touren im Mittelmeer, ohne dabei auf Komfort verzichten zu müssen.

*** Preisinformation: Maßgebender Angebotspreis GPB 1.450.000, Wechselkurs 1,19 (25.07.2024)
