1674h (Starboard side)

All hours are updated – More accurate data on request

NOTES

RUSH's interiors are designed by Giorgio Vafiadis: bright and masculine, her layout includes high gloss Wenge wood, Mother of pearl, Onyx, silk blend carpets, high end designed Foglizzo leather wall panels and impressively high ceilings for a vessel of this range. The Main deck salon opens on to the dining area and the bar, and leads to a wide social area with a super comfortable round sofa for launching and watching the 82" TV screen fitted here, including a large cinema library. Going forward to the Lower deck, RUSH unveils five en-suite luxurious cabins for 10 guests, all tastefully decorated with beautiful Lalique taps: a marvelous full-beam. Master with His and Her bathrooms, a VIP nestled in the bow, one

Guest cabin with double bed and two Twin cabins (one with an additional Pullman bed). Her exclusivity is also hidden here: RUSH offers a fully-fitted Massage zone with steam room in this area, unusual on open yachts. RUSH is also made for efficient and dynamic crew, thanks to her upgraded Crew area now fitted with five cabins. Created for unforgettable moments at sea with a large set of watertoys available on board, RUSH is dedicated for those looking after new sensations and incredibly fast cruises over the seas with the same comfort and consideration for well-being as the best palaces in the world.
