

F50

Featuring the latest F Class exterior styling, and advanced technology on-board, the F50 flybridge yacht delivers dynamic performance at sea.

The F50 features a sophisticated standard of refinement with contemporary finishes and handcrafted elements throughout. The sociable cockpit leads through to the main saloon, with open galley aft and large U-shaped sofa and dining table for six guests.

Guests are accommodated on-board across three beautifully appointed cabins, two of which are en-suite. The spacious full-beam master stateroom invites relaxation, with a double bed, sofa and dressing area. The generous en-suite forward stateroom includes a large double bed with the option of scissor berths to provide flexibility for guests.

New technology is available on-board, including Gyro stabilizers and Volvo Penta Easy boating as an option to complement the F50's advanced resin-infused hull and efficient twin Volvo D8-IPS 800 (2 x 600mhp) engines which provide speeds up to 34 knots.
