

F58

The all-new Princess F58 is the latest addition to the acclaimed F-Class series and is unmistakably Princess. Elegant lines, exceptional space and a level of specification and standard of finish normally reserved for much larger craft. This is no truer than with her exterior spaces which have been designed with sociability and relaxation very much in mind. From the vast flybridge that has been designed to maximise guest space, to the foredeck 'terrace' which is large enough to entertain or simply offer a tranquil place to relax, and is a very popular feature borrowed from our larger yachts. Or, the generous cockpit that flows seamlessly into the saloon and down on to the bathing platform which is itself equipped with seating and an optional BBQ to create a mini beach club adjacent to the water.

Inside, the interior blends meticulous craftsmanship with a contemporary, yet timeless design that flows throughout her spacious accommodation. The saloon is surrounded by panoramic windows filling the space with natural light and connecting effortlessly to the outside. The fully equipped galley is situated aft of the saloon and links the cockpit and interior dining spaces making this a highly sociable layout.

On the lower deck are three beautifully detailed cabins including a spacious forward VIP guest cabin, a twin to starboard, which can be converted into a third double, and a full-beam owner's stateroom featuring a 'superyacht' style ensuite bathroom and walk-in wardrobe which also make full use of her generous beam. The new Princess F58 truly is a yacht without compromise and is already proving to be a very popular addition to the F-Class family.
