

S65

With a sleek exterior profile, the S65 balances dynamic form with breath-taking performance. The main deck flows from outside to in, surrounded by large hull length windows, sliding doors aft, an electrically sliding roof and an aft galley which connects beautifully to the cockpit.

Below deck, four cabins, including a full-beam master stateroom, can accommodate up to eight guests, plus optional crew cabin with en-suite.

Generously appointed deck areas, which include a spacious foredeck seating area, aft sunpad, hydraulic bathing platform and 3.3m tender garage become the perfect base for watersports.

The sportsbridge offers flexible seating areas with the option to adapt the space via a moveable backrest to offer a forward sunbed with storage below.
