

S80

The all-new flagship of the S Class range, the Princess S80 features a sleek sporting design with high powered performance and premium craftsmanship. Inspired by urban living, the S80 provides a sense of contemporary elegance, with a single level main deck, flowing furniture and sophisticated detailed interiors. She delivers an excellent driving experience, with twin high performance V12 engines that smoothly transition from displacement to planning within seconds. The sportbridge is perfect for entertaining, with an incredibly large U-shaped seating area, port and starboard companion seating, servery with sink, fridge and barbeque, plus the option of a dining table and triple seats to the helm station.

The cockpit offers unique versatility with configurable seating including adjustable twin upholstered L-shaped seats which can manually slide in-board, outboard and forward facing alongside twin coffee tables and twin aft sun pads which flank the teak-capped stairs leading to the spacious electro-hydraulic bathing platform.

Below deck, eight guests enjoy four beautifully appointed en-suite cabins, all bathed in natural light from elegant hull glazing, with a further twin cabin aft for occasional guests or crew. A dedicated staircase leads from the main deck to the full-beam owner's stateroom amidships, via a private lobby area in the lower companion way.
