

V65

Powerful and progressive, the exciting V65 sets a new standard. Her Olesinski-designed deep-V hull is optimised for greater lift and less drag, for lower planning speeds and greater efficiency. When entertaining, her spacious cockpit inspires relaxation with a sunpad and well-equipped dining area leading to the fully equipped aft galley. With engines taking you up to 36 knots, the V65 is as vivacious as she is valiant.

Her flexible saloon can be climate controlled or opened to the elements via triple sliding aft doors and a retractable sunroof. Below deck, eight guests enjoy four beautifully appointed cabins all bathed in natural light from elegant hull glazing, with the option of a further single cabin aft for occasional guests or crew.
