

Y72

Finished to high standards throughout, the all-new Y72s design features are comparable to those of larger Y Class yachts. Her spacious saloon has a sociable layout with a bar area and open plan galley, complemented by a multi-zone Naim audio system.

Forward on the lower deck, six guests can enjoy three beautifully appointed guest cabins filled with light from the full-length hull glazing. A dedicated staircase leads from the main deck to the full-beam owner's stateroom amidships, via a private lobby area connected to the saloon. The sophisticated owner's stateroom is furnished with a sofa, dressing area and vanity desk wrapped and stitched in Livorno Stone leather for a contemporary finish. Luxurious surroundings exude from the owner's stateroom with architecturally inspired feature panels, fresh linen wallcoverings and a bronze tint mirror to compliment the scheme. An additional en-suite cabin with two single beds is positioned aft for crew or occasional guests.
