

S66

S 6 6

There is an undeniable presence about the new S66. Her slender streamlined form somehow also exudes a predatory air. A lightweight deep-V hull delivers on this promise with breath-taking agility up to 38 knots. When at anchor, peacefulness descends onto her generously appointed deck areas, which include a spacious foredeck seating area, whilst her hydraulic bathing platform and 3.3m tender garage become the perfect base for watersports.

Le nouveau S66 a un indéniable charisme. Son profil élancé a je ne sais quoi de l'allure d'un prédateur. Promesse tenue grâce à une coque légère à carène en V profond qui assure une agilité à couper le souffle, à des vitesses allant jusqu'à 38 nœuds. Au mouillage, la sérénité règne sur ses ponts aux aménagements généreux, notamment un spacieux coin salon sur le pont avant, tandis que sa plateforme hydraulique de baignade et son garage pouvant abriter une annexe de 3,3 m en font la base d'opérations idéale pour les sports aquatiques.

El nuevo S66 tiene una innegable presencia. Sus finas formas aerodinámicas también le dan un cierto aire depredador. Un ligero casco en V profunda cumple con esta promesa con una impresionante maniobrabilidad hasta los 38 nudos. Al estar fondeado, la tranquilidad desciende sobre sus zonas de cubierta generosamente equipadas, que incluyen una amplia zona de estar a proa, mientras que su plataforma de baño hidráulica y el garaje para una embarcación auxiliar de 3.3 metros son ideales para los deportes acuáticos.

La nuova S66 è dotata di una innegabile presenza. La sua forma snella e slanciata trasmette in qualche modo un'aria da predatore. Il guscio leggero con scafo a V mantiene questa promessa donandole una agilità mozzafiato anche a 38 nodi. Ma quando è ancorata, la calma si posa sulle sue zone ponte ben arredate, che comprendono una ampia zona salotto sul ponte di prua, mentre la sua piattaforma idraulica e il tender di 3,3 metri diventano la base perfetta per gli sport acquatici.

Новая S66 сразу обращает на себя внимание: в её изящном силуэте просматривается грация хищника. Лёгкий и удлинённый V-образный корпус этой яхты подарит вам незабываемые ощущения от её удивительной маневренности на скорости до 38 узлов. Когда вы стоите на яхте, на всех её палубах, как и в просторной зоне отдыха на баке, царит безмятежность, а гидравлическая купальная платформа становится прекрасной площадкой для занятий водным спортом, в том числе благодаря наличию гаража длиной 3,3 м.

Captivating on the outside, she is distinctively cool inside. Her sociable galley aft arrangement, with opposing open-plan dining area, has sliding doors and a fully opening electric window leading out to the cockpit to create an al fresco bar. Below deck eight guests are accommodated across four cabins, three of which are en suite.

Fascinant à l'extérieur, le S66 joue la nonchalance à l'intérieur. La disposition est conviviale : la cuisine à l'arrière, en face du coin salle à manger open plan, avec des portes coulissantes et une fenêtre électrique s'ouvrant complètement, donne sur le cockpit où s'improvise un bar al fresco. Au pont inférieur, huit personnes se répartissent sur quatre cabines, dont trois disposent de leur salle de bain particulière.

Cautivador en el exterior, es especialmente fresco en el interior. Su sociable cocina a popa del salón, con zona de comedor de planta abierta en frente, tiene puertas y una ventana eléctrica de apertura completa con salida a la bañera que crea una barra al aire libre. Bajo cubierta ocho huéspedes se alojan en cuatro cabinas, tres de ellas con baño en suite.

Accattivante all'esterno, di classe all'interno. La disposizione della cambusa a poppa, con opposte zone pranzo a pianta aperta, è dotata di porte scorrevoli e una finestra elettrica completamente apribile che conduce alla cabina di guida per creare un bar all'aperto. Sotto coperta otto ospiti sono accolti in quattro cabine, tre delle quali sono dotate di bagno.

Как и внешний вид, интерьер этой яхты поражает воображение. Расположенный в кормовой части просторный камбуз, где могут одновременно находиться несколько гостей, образует единое пространство с обеденной зоной. Здесь установлены сдвижные двери и выходящее в кокпит откидное окно с электроприводом. Полностью открыв его, вы получаете бар под открытым небом. На нижней палубе в четырёх каютах, три из которых имеют собственные ванные комнаты, комфортно размещаются восемь гостей.

SPORTBRIDGE

MAIN DECK

LOWER DECK

PRINCIPAL DIMENSIONS

Length overall (incl. pulpit)	66ft 10in (20.32m)
Length overall (excl. pulpit)	65ft 11in (20.03m)
Beam	16ft 9in (5.08m)
Draft	4ft 9in (1.47m)
Displacement approx.	34,276kg (75,566lbs)*
Fuel capacity	902 gal/1,083 US gal/4,100l
Water capacity (incl. calorifier)	192 gal/230 US gal/873l

DECK FITTINGS

- Teak-laid transom platform, cockpit deck, sportbridge, sportbridge stairs and steps to side decks
- Reversible electric anchor winch with foredeck and helm position controls
- Self-stowing 40kg/88lbs Delta anchor with 60m of chain
- Storage lockers for rope, fenders and foredeck sunbed cushions
- Foredeck seating and sunbathing area
- Stainless steel cleats, fairleads and handrails
- LED deck level lighting
- Freshwater deck/anchor wash

COCKPIT

- U-shaped seating with teak folding table
- Sunbed aft with garage with electro-hydraulic door and tender launch system with electric winch below (3.3m tender)
- Twin transom gates leading to bathing platform with electro-hydraulic raise/lower mechanism, foldaway swimming ladder and hot and cold shower
- Lockable gas strut assisted hatch to engine room, lazarette and optional crew cabin
- Liferaft storage
- Cockpit cover

SPORTBRIDGE

- Helm position with repeat navigation equipment including radar/chartplotter and engine instrumentation
- Twin helm seats with fore and aft adjustment for helmsman
- U-shaped seating area with folding teak table
- L-shaped seating to port
- Wetbar with sink, electric barbecue and storage
- Radio/MP3 with waterproof speakers
- Top loading coolbox at helm position

LOWER HELM POSITION

- Twin helm seats with fore and aft adjustment for helmsman
- Helmsman's door to side deck and electric opening window to port
- Full engine instrumentation including fuel gauges, exhaust temperature, fuel contamination alarms and rudder position indicator
- Navigation system including colour radar, GPS and chartplotter (2 displays), VHF/RT, speed and distance log, echo sounder with alarm, autopilot and high speed magnetic compass

- Controls for bow thruster, windscreen wipers, bilge pump and trim tabs (with indicators)
- 24v and 240v control panel
- Red night lighting
- Toughened glass screen (clear for night vision)

DECK SALOON

- Stainless steel framed sliding doors to aft cockpit with integrated opening window aft of galley
- U-shaped sofa with coffee table
- Entertainment centre incorporating 49" UHD LED TV on electric raise/lower mechanism and audio system with Blu-ray player connected to speakers
- Sideboard unit with bottle and glass storage, refrigerator and icemaker
- L-shaped dining area with folding table
- Skylights with reflecto-glass and sliding blinds (option of powered opening roof)

GALLEY

- 4-zone ceramic hob
- Combination microwave/convection oven with grill
- Twin stainless steel sinks with mixer tap
- Full height refrigerator/freezer
- Dishwasher
- Storage lockers, cupboards and drawers

ACCOMMODATION

- All cabins feature opening portholes
- All cabins feature 220/240v power points
- All mattresses pocket sprung (excluding optional crew)
- All bathrooms feature full shower stalls, electric freshwater toilets, extractor fan and 240v shaver points

OWNER'S STATEROOM

- Large double bed with drawers below
- Wardrobes with hanging and drawer storage
- Dressing table
- Sofa
- 40" UHD LED TV, audio system with Blu-ray player connected to speakers
- En suite bathroom

FORWARD GUEST CABIN

- Large double bed with drawers below
- Wardrobe with shelves
- Dressing table
- Deck hatch
- Storage lockers
- En suite bathroom

ENGINES

Twin MAN V12-1400 (2 x 1,400hp)	Speed range: 36-38 knots*
---------------------------------	---------------------------

STARBOARD GUEST CABIN

- Two single beds with drawers below (with the option of powered conversion to double)
- Wardrobe with shelves
- Storage lockers
- En suite bathroom with day access

PORT GUEST CABIN

- Two single berths with drawers below
- Wardrobe with shelves
- Storage lockers

LOWER ACCOMMODATION LOBBY

- Combination washer/dryer and storage area is fitted in the lobby area with the option of fitting separate washing machine and tumble dryer

CREW CABIN (OPTIONAL)

- Single bed with storage below
- Wardrobe with shelf
- Bathroom with shower, electric freshwater toilet and washbasin

INTERIOR FINISH

- Furniture in Rovere Oak or Alba Oak with a satin finish. Walnut or Silver Oak available as an option
- Solid surface worktops and floors in all guest bathrooms
- Solid surface worktops in galley

- Timber-laid galley and dining area floors
- Optional crew cabin fitted with non slip safety flooring

POWER AND DRIVE SYSTEMS

- 5-bladed propellers in nickel aluminium bronze
- Bow thruster (170kgf/375lbf)
- Power-assisted electro-hydraulic steering system with hydraulic back-up
- Electronic engine and gear shift controls
- Dripless shaft seals
- Engine room extractor fan with electronic time delay

ELECTRICAL SYSTEMS

- 24 Volt:
 - 4 x heavy duty batteries for engine starting
 - 4 x heavy duty auxiliary batteries
 - 80 amp battery charger charges both banks of batteries via an automatic switch charging system

- Remote battery master switches with control switch at main panel
- LED lighting throughout

220/240 Volt:

- 13.5kW diesel generator with own starting battery and specially silenced exhaust
- 63-amp shore support inlet
- Earth leakage safety trip, polarity check system, circuit breakers on all circuits
- Power points in all areas

FUEL SYSTEM

- Twin fuel tanks (in NS8 marine grade alloy) with interconnection system giving 902 gal/1,083 US gal/4,100l capacity
- Fuel fillers on port and starboard side decks
- High capacity duplex fuel filters/water traps with audible and visible fuel contamination warning system
- Remote fuel cocks in cockpit locker

WATER SYSTEM

- 176 gal/211 US gal/800l plus 16 gal/19 US gal/73l hot water calorifier and heated by engines and 240v immersion heater
- Water level gauge
- Deck filler
- Electric freshwater WC system with 60 gal/72 US gal/272l holding tank

FIRE EXTINGUISHERS

- Automatic/manual override fire extinguishers in engine room with warning system at both helm positions
- Hand-operated fire extinguishers in all cabins, galley, utility area and lower helm (6)

BILGE PUMPS

- Automatic electric bilge pumps (6)
- High-capacity manual bilge pump with valve system and suction points in same areas

OTHER ITEMS SUPPLIED AS STANDARD

- Set of cutlery, crockery and glasses (8)
- Ensign staff
- Fenders (6) and wraps (4)
- First aid kit
- Set of manuals
- Quilted bedspreads supplied to all cabins (except optional crew)
