The yacht is on the commission of Princess Yacht Monaco. The Company is not responsible for the accuracy of the information provided by the Yacht owner (images, specification, parameters, engine performance, legal, etc). The operating time of the engines is indicated at the time of preparation of the information and may change during further operation. The need for an inspection remains at the discretion of the Buyer. Exact parameters and characteristics can be specified in the contract of sale. Additional information is available upon request.

Ferretti 830, measuring 25.3 meters, is the second super-yacht in the FERRETTI YACHTS fleet and features a pioneering hull design, highlighted by the master cabin's innovative large windows that enhance the panoramic view. Emphasizing the "Being Ferretti" philosophy, the yacht combines a passion for the sea with cutting-edge technology, showcased through the NAVIOP monitoring system and the gyro stabilizers Mitsubishi.

The luxurious interior, an expansive salon with an L-shaped sofa, and convenient access to a well-equipped galley. The master cabin is strategically placed for stunning, two guest cabins and a spacious VIP cabin ensure guest comfort.

The flybridge, designed relaxation, accommodates a hydro-massage bath, and the engine room's placement guarantees tranquility. providing impressive speeds of up to 27 knots, the Ferretti 830 embodies elegance and performance.
