Yachts on the commission of Princess Yacht Monaco. The Company is not responsible for the accuracy of the information provided by the Shipowner (images used, yacht specifications, parameters, engine performance, legal design issues). The operating time of the engines is indicated at the time of preparation of the information and may change during further operation. The need for an inspection remains at the discretion of the Buyer. Exact parameters and characteristics can be specified in the contract of sale. Additional information is available from the manager on request.

## DESCRIPTION

---

Measuring 25.3 meters, the Ferretti 830 is the second super-yacht in the FERRETTI YACHTS fleet. Emphasizing the "Being Ferretti" philosophy, the yacht combines a passion for the sea with cutting-edge technology and impressive performance, providing speeds of up to 27 knots. Maintained in immaculate condition, this yacht has been strictly privately used and truly embodies elegance and performance.

The yacht features a pioneering hull design, highlighted by the master cabin's innovative large windows that enhance the panoramic view. The luxurious interior boasts an expansive salon with an L-shaped sofa and convenient access to a well-equipped galley. Accommodation is provided across 4 guest cabins, all with en-suite bathrooms, ensuring absolute comfort for everyone on board. The layout includes a strategically placed master cabin offering stunning views, a spacious VIP cabin, and two guest cabins.

Designed for ultimate relaxation, the flybridge accommodates a hydro-massage bath, while the clever placement of the engine room guarantees tranquility throughout the living areas.
