Azimut 50 (2017) is a stunning motor yacht that combines Italian design, advanced engineering, and luxurious comfort. With elegant lines, spacious living areas, and premium equipment, it's perfectly suited for both relaxing coastal cruises and longtime sea voyages.

On board, the Azimut 50 offers a spacious flybridge with lounge and dining area, a cozy cockpit with a direct access to the hydraulic swimming platform, and a sunbathing zone at the bow. The bright salon features panoramic windows, a comfortable seating area with a dining space, and a fully equipped galley.

The yacht accommodates three cabins — a full-beam master, a forward VIP, and a guest cabin — along with two bathrooms with showers. Equipped with modern navigation systems, generator, air conditioning, and entertainment systems, it also comes with a Williamstender, making every trip convenient, whether for coastal cruising, shore transfers or water activities.
