The yacht is on the commission of Princess Yacht Monaco. The Company is not responsible for the accuracy of the information provided by the Yacht owner (images, specification, parameters, engine performance, legal, etc). The operating time of the engines is indicated at the time of preparation of the information and may change during further operation. The need for an inspection remains at the discretion of the Buyer. Exact parameters and characteristics can be specified in the contract of sale. Additional information is available upon request.

We are proud to present a unique Riva Cento for sale, built 2025 at the Riva shipyard in Sarnico — one of only 12 ever produced. Created to celebrate the 100th Rivamare and drawing its soul directly from the legendary Aquarama, the Cento carries the full weight of Riva heritage in a thoroughly modern package.

Powered by twin Volvo Penta D6-400 engines, finished in Metallic Black Fireworks with glossy mahogany interior and maple cockpit decking. Specification includes Seakeeper gyro stabilizer, autopilot with driving mode joystick, automatic trim system, bow thruster, Seabob compartment, underwater lighting, and a full electronics and entertainment package.

Currently located in Istanbul, Turkey.

Contact us for the full specification and to arrange a private viewing.
