| Fuel capacity | 3300 l | | |
| Water capacity | 630 l | | |

We are pleased to offer this Princess F58 available in Monaco in time for the 2026 season. Representing the latest generation of the F-Class range, the F58 combines elegant design, exceptional volume for her size, and a high level of specification typically found on larger yachts. Designed for comfortable cruising and easy owner operation, she features expansive exterior spaces, including a generous flybridge, versatile foredeck area, and a seamless cockpit-to-saloon layout leading to the bathing platform. A highly practical three-cabin layout with dedicated crew accommodation completes an outstanding offering in the 58-foot flybridge segment.
