Expedition yacht De Alm Delfino 72 was built at the Dutch shipyard De Alm in 2013. The displacement hull is 22.5 meters. The yacht is powered by two Iveco engines and has a cruising speed of up to 8.5 knots. Her lower deck space has three spacious cabins for up to 6 guests and additional space for the crew cabin. Spacious main deck and flybridge spaces make this vessel a great option for travelling with a large group of guests. The yacht is in great condition and is located in the Montenegro.
