Fairline Squadron 65 appears to go one step further than similar sized boats on every level.

All three distinct areas are spacious and easy to move around: a forward cruising chaise longue and sun pad, aft facing sunbeds and a seating/dining area. The saloon area with the galley positioned at the heart of the yacht will become a favourite place to spend days onboard. The master cabin enjoys a spacious, open-plan en suite and the forward cabin features a floating bed design. The aft cabin can be used as a guest cabin or as an additional crew cabin.

A boat is a perfect fit for your guests. Please contact for more information
