Length	43.12 m	Max power	3 x 2400 hp
Beam	8.35 m	Max speed	33
Draft	1.50 m	Price	7 000 000 € (inc VAT)

The yacht is on the commission of Princess Yacht Monaco. The Company is not responsible for the accuracy of the information provided by the Yacht owner (images, specification, parameters, engine performance, legal, etc). The operating time of the engines is indicated at the time of preparation of the information and may change during further operation. The need for an inspection remains at the discretion of the Buyer. Exact parameters and characteristics can be specified in the contract of sale. Additional information is available upon request.

Genesis is a performance motor yacht with high speed, head-turning appeal. Genesis was built by Italyachts in 2011 and recently completed her 10-year class survey. This 43.12m tri-deck motor yacht is widely regarded as the best maxi open in her range. Genesis has been carefully looked after and is offered for sale with a VAT paid status. Boasting an impressive 33-knot top speed, this fast-planing yacht cruises high on the water for maximum comfort. When at anchor, a Seakeeper stabilisation system keeps Genesis steady and her shallow draft permits access to a wider array of harbours and anchorages. Genesis boasts an interior design by the famed Cristiano Gatto, featuring ebony woods and marble, and space has been optimised at every opportunity. The yacht has an exceptional interior volume and overall sports a comfortable, contemporary look. Genesis has accommodation for nine guests in four cabins. The arrangement comprises a fullbeam master suite, VIP double, guest double and a twin cabin with an additional Pullman berth. Genesis has a flybridge sun deck, one of the largest for yachts in this class, which boasts a Jacuzzi and a bar. Other exterior spaces include the aft deck sun pad and alfresco dining area, and there's further seating on the bow. New paint

work in 2021 gave Genesis a refreshed look in golden metallic, and a major service to her MTU QL3 engine has ensured she remains in excellent condition. An aft garage provides stowage for a 5.3m tender and two Jet skis.
