Water capacity	2200 l		

Princess 32M was built in 2013 and has undergone the 2021-2022 refit. The black and gray color planing hull is 32 m long and 7.11 m wide. The highlight of the yacht - textiles, upholstery and bedding - are done by Fendi, giving a classic style interior a luxury feel. The sun deck with entertainment areas is equipped with an automatic folding bimini and offers a dining table for 10 people, a large bar, a barbecue, a sunbathing area and a jacuzzi. The main deck is filled with the sunlight and provides everything one may need: from 50-inch plasma TV to wine cooler. Lower deck spaces include 4 beautifully appointed cabins for 8 guests. A master cabin with a separate office which can also be used as a dressing room with a table, a spacious aft VIP cabin, a double cabin and a twin cabin. All cabins are en-suite and were also designed with a use of Fendi textiles.
