The commanding facade of the tri-deck 40M is quite breath taking. Her elegant powerful lines flow around sublime architecture. Secluded sunbathing retreats, a spa bath, beautifully proportioned dining areas, and a walk-in beach club are just some of her luxurious features. Everything to ensure that getting away from it all and spending time with friends is a true pleasure. Her interior has been sculpted to exude expansive space and light throughout. Across every deck is a world that's shaped by your personal tastes and lifestyle. This remarkable place of bespoke refinement is then finished with meticulous precision.
