It's all about the performance: fast, agile and technological. Behind sporty profile of Princess 64 motor yacht you can find incredibly decent characteristics.

Spacious light interior, welcoming teak-laid flybridge with a large table for alfresco dining, seating area and wetbar with barbecue. Of course, all finished with the finest fittings and materials.

As the matter of fact Princess 64 features four spacious cabins, three of which enjoy en-suite facilities. A fifth cabin with twin beds and en-suite shower room can also be specified for crew or occasional guests. Moreover, there is an electro-hydraulic bathing platform which can accommodate a jet-rib and enables effortless launch and recovery.
