Displacement	50.7 tonnes	Engine hours	252 m/h
Fuel capacity	6442 l	Price	Price on application

The Princess 82 Motor Yacht is simultaneously graceful and exhilarating in the same breath. Her extended window line affords you exceptional visibility from the main deck. The expansive flybridge cossets guests with soft sunpads, a teak dining table, intimate seating and a dedicated wetbar. Light and space are in abundance, with broad windows the length of the main deck saloon. And when the moment arises, her deep-V hull is poised to thrust you across the waves up to an impressive 34 knots.

# EQUIPMENT

---

## HYDRAULIC

Hydraulic system consisting of separate engine driven hydraulic pumps on each engine with cross connections allowing any system to be supplied with hydraulic power from either engine, includes hydraulic windlass and variable speed 300 KgF

---

Hydraulic bowth ruster in place of standard (240 KgF)

---

Hydraulic sternth ruster (variable speed 300 KgF)

---

## STABILISATION

TRAC Star 7.5X fin stabilizer system with inline Parker silencer (only available if 'hydraulic system' is also specified)

---

This system is designed to provide roll control at speeds above 12 knots as well as zero speed stabilisation.

---

Bow and Stern thrusters feature fully proportional speed control. When the main engines are turned off the hydraulics are powered by an electric motor for which the standard generator is suitable.

---

## INTERIOR FURNITURE

Alba Oak interior wood Satin finish (galley & wheelhouse floors are Alba Haze as standard)

---

## LAYOUT

Electrical up/down bulkhead behind helm position

---

Bidet in Master Stateroom bathroom

---

Crew utility area fitted out as crew mess with seating area, table, sink, microwave oven, fridge/freezer and air-conditioning (not possible if Gyro stabilisers are specified)

---

## GALLEY

Perso Avorio granite galley worktop

---

## AUDIO VISUAL & COMMUNICATIONS

Forward Stateroom – Harman Kardon 2.1 Blu-ray (with Bluetooth connectivity) and KEF speakers

---
