Fuel capacity	6840 l		
Water capacity	1386 l		

Presenting this exceptionally equipped Princess 82MY, built in 2017 and maintained in turn-key condition. Finished with an elegant Midnight Blue hull and extensive teak decking, she is offered VAT excluded and is ready for immediate enjoyment.

The yacht features four luxurious guest cabins, including a full-beam master stateroom, plus a fully equipped crew mess. With twin MAN V12-1800 engines, TRAC Star fin stabilisation, a hydraulic bathing platform, and an electro-hydraulic telescopic passerelle, she is equipped for effortless handling and impressive performance.

Highlights include a Williams 385 Turbojet tender, a 190 L/h freshwater maker, a premium Bose home cinema system, reverse-cycle air conditioning, and heated bathroom floors. The expansive flybridge, protected by a composite hardtop, and the underwater Lumishore blue transom lighting complete the experience.

A rare opportunity to acquire a highly specified Princess 82 in outstanding condition.
