The Princess V55 available for early season 2025. V55 is a stunning 59-foot yacht that blends contemporary design, advanced technology, and exhilarating performance.

Powered by high-performance engines, the Princess V55 can reach a top speed of 37 knots, delivering a smooth and thrilling ride. Fitted with the latest gyro stabilizer for enhanced stability and comfort, it ensures a seamless experience even in more challenging conditions. The interior accommodates up to 6 guests in three beautifully appointed cabins, including a master suite, a VIP cabin, and a twin guest cabin, each designed with premium materials and the highest attention to detail. The open-plan saloon is bright and airy, offering panoramic views and a perfect flow between indoor and outdoor living spaces. Highlights of this yacht include a very rich specification including joystick control with an aft control station for easy maneuvering, an upgraded generator for enhanced power management, and a watermaker for extended cruising capabilities. The yacht also features the Allure styling upgrade, adding even more luxury and refinement throughout the interior. For outdoor enjoyment, the Princess V55 boasts all decks finished in teak, an electric sun awning for shade on the aft deck, and a

foredeck sun awning supported by carbon fiber poles. These features ensure the perfect blend of comfort and style for outdoor relaxation. This opportunity represents the best way to start the next 2025 season without the wait.
