The Princess V70, built in 2008, is an exceptional 71-foot yacht that seamlessly combines luxury, performance, and comfort. Powered by Caterpillar C3 engines with 1500 meticulously maintained hours, this yacht is in outstanding condition, with VAT paid and a gyro stabilizer installed for a smooth yachting experience.

The yacht accommodates up to 8 guests in three spacious cabins, including a luxurious master suite, VIP cabin, and a twin guest cabin, all featuring the finest bedding configurations for optimal comfort. The open-plan saloon offers panoramic views, while the fully equipped galley provides everything needed for stylish onboard entertaining. Outside, the generous aft deck and sunbathing areas offer ample space for relaxation. With a top speed of up to 39 knots, the Princess V70 delivers thrilling performance while maintaining comfort.

This is one of the finest Princess V70 models on the market. Contact our team to learn more and arrange a viewing of this exceptional yacht.
