The Princess X90, the latest model in the award-winning X-Class series, blends innovative design, luxury, and craftsmanship, positioned between the X80 and flagship X95 Vista. Notable features include a redesigned cockpit with seamless connections to the main deck, expansive glass surrounds for natural light, and a master suite on main deck with a private terrace.

The enclosed Skylounge on the flybridge offers family entertainment with an optional 85-inch TV, while the spacious aft deck provides customizable entertainment setups. The yacht offers flexible cabin options for guests and crew.

The first Princess X90 will debut in 2026 and already promises to be a very popular addition to the Princess X Class series.
